

Al-Jazeera Shines Again at Qatar Debate

On Saturday, November 24th, six Year 8 girls from Al Jazeera Academy attended the 1st Preparatory Qatar Debate competition for the 2018/19 debate season, at the Roqaya Preparatory School for Girls, Doha. Public speaking skills help develop leadership skills which is a key aspect of the Al Jazeera Academy and Ta'allum vision and mission.

L - R: Aisha, Najlaa, Fajer, Batool Noora and Either

The Al Jazeera Academy girls were very successful, winning 3 out of 4 main tournaments in which they participated. The second team competed in a 'swing' competition and won 2 rounds. Accompanying teacher Miss Janet Olomu praised the girls for their impeccable behaviour and conduct throughout.

The highlight of the day was the declaration of Year 8 student Noora Al-Muftah as 'Best Speaker'. As a result, she has been invited to attend a special audition of 'Best Speakers of Qatar Debates'. Her goal is to represent Qatar in international debate competitions, following in the footsteps of former student Buthayna Al Mulla.

Al-Jazeera Academy has a history of producing students with high level public speaking skills. In Model United Nations, Majed Al -Majed won best speaker at the recent conference and Noora Al-Muftah has been best speaker twice at Qatar Debate.
