RE: SCHOOL PHOTOGRAPHS

Date 20 March 2018

Dear Parents

From the 17 April 2018 we will be having class photographs, as well as individual pictures, taken that will be available to purchase.

A class picture is a memory that will live forever. No words can describe your joy when you will look at these pictures in eight or nine years' time and see how your children have grown to be young adults entering university.

AJA would like to be part of this celebration and would like your child to join in taking their picture with their classmates as well as their teacher.

This is optional and your consent is required. Please see attached form
