

Early Years Baseline Assessment

Dear Parents

During next week – 25 October to 29 October 2020, your child will have 2 on-line assessments which will take approximately 20-25 minutes each – for English learning and Arabic learning.

You will be given 2 appointments for the assessments, one with your child's class teacher and one with your child's Arabic teacher.

The assessments will be fun tasks which will be on a 1:1 basis held over TEAMS. Please let us know if you do not know how to access TEAMS and we will help you. Log in details have already been emailed to you as part of our commitment to your child's learning and our Live Learning Sessions.

The assessments will help us to support your child with their learning. They are a very important part of your child's learning.

For your child's assessment tasks, you will need the following items:

- Paper
- Pencil
- Coloured pens
- A glue stick
- Children's scissors
- Playdoh

We look forward to meeting you and your child next week.
